

HITCH OCCURS IN WATERWORKS DEAL

Question of Legality of Nogales Council's Action Arises

Nogales, Ariz., Feb. 19.—Since there has arisen some question as to the legality of the Nogales town council's letting the contract to Karna Brothers for installing pump and lines for the water system for \$50,000 without advertisement and the buying of the present plant with proceeds from the bonds, the matter will be referred to attorney general Bullard.

Harry A. Drachman has offered a first prize of \$25 and a second prize of \$15 for the best thesis on some subject relating to the development of the west coast of Mexico to the students of the University of Arizona. Originally in thought and viewpoint will be the basis for judging. The contest closes April 1, and a number of students will compete.

The auxiliary entertained its members at a Valentine party at the clubrooms. The hostesses were: Mesdames Dye, Harrison, Otto Herold and Phil Herold. Games and refreshments with the Valentine feature provided a pleasant afternoon.

The auxiliary of the Santa Cruz club gave a leap year dance and entertainment to the men at the club rooms. The women did all the honors, from asking for dances to serving refreshments to the men. Some of the men who dance occasionally are tired still from the strenuous evening.

Mrs. M. T. Holden, of Guaymas, Ariz., is seriously ill at the St. Joseph's hospital here.

F. E. Mitchell, who had been some days at the St. Joseph's hospital in Nogales, died and was taken home by his sister, Miss Nellie Mitchell, for burial. Mr. Mitchell came to Arizona nine years ago for his health and resided in this country.

Mrs. Pat Hanson, who received painful injuries by a cow's kick in the side, breaking several ribs, is convalescent. Albert Brockmeier, former United States consul at Nogales Sonora, now in southern Mexico, has gone to Chicago and other eastern points to visit his parents, after a visit to Nogales, before returning to his duties. SICK HEADACHE, DIZZINESS, TORPID LIVER, CONSTIPATION—CASCARETS.

Sick headaches! Always trace them to lax liver, delayed, fermenting food in the bowels or a sick stomach. Poisonous matter, instead of being thrown out, is re-absorbed into the blood. When the poison reaches the delicate brain tissue it causes congestion and that dull, awful throbbing, sickening headache.

Cascarets remove the cause by stimulating the liver, making the motion more on and out and purifying the blood. The effect is almost instantaneous. Ladies whose sensitive organisms are especially prone to sick headaches, need not suffer, for they can be quickly cured by Cascarets. One taken tonight will straighten you out by morning—a 10-cent box means a clear head and perfect health for months. Don't forget the children—their little insides need a good, gentle, cleansing, too. Children glady take Cascarets, because they taste good and never gripe or sicken.

BOX CANYON ROAD LOSTS FIGHT

CANNOT BUILD ROAD ON RESERVOIR SITE

Interior Department Rejects Applications of Railroad and Associations.

Washington, D. C., Feb. 19.—In a formal decision today Samuel Adams, assistant secretary of the interior, rejected the application for a right of way filed by the Arizona Eastern railroad company August 2, 1910, across the San Carlos reservoir site. The decision does not preclude the railroad company from presenting another application for a right of way along the Gila river at an elevation high enough to avoid interference with the reservoir site.

Adams, in the same decision, rejects without prejudice all applications for rights of way for the reservoir site by the various associations which are seeking it as a basis for irrigation projects. He says that the associations have not demonstrated that they have made such investigation as shows the feasibility of their plans, either from an engineering or financial standpoint, or that they control sufficient funds to construct and successfully operate the project if a right of way is granted. Any of the associations may file new applications which come up to the requirements.

OFFICERS CHOSEN FOR PECOS FAIR

Louisiana Man Buys Trees in Pecos to Plant in Home State.

Pecos, Tex., Feb. 18.—The following officers have been chosen to head the Pecos fair, to be held here in 1912: President, W. L. Brady; first vice president, R. S. Johnson; second vice president, R. M. Hawley; treasurer, W. Johnson; secretary, Porter A. Whaley; executive committee, Chris Rita, Dr. Wm. H. Moore, J. B. Sullivan, J. W. Moore, J. B. Heard, W. W. Camp, J. T. H. Lipscomb.

The fair will be held in October and the association will be a chartered institution, capitalized at \$100,000 and will erect its own buildings. Last year about 5000 people attended the fair.

C. H. Thomas, of Monroe, La., representing the Monroe Civic league, will leave Pecos for his home city. While here he purchased a large number of cypress cedar trees to be used to beautify the main streets of Monroe's residential district. It is quite an unusual thing for Louisiana to send trees to Texas for trees, but according to Mr. Thomas, the fame of the Pecos cypress has spread to Louisiana and the tree was selected by a special committee as the best for beautification purposes in the north Louisiana city.

The Rev. Wm. Crockett, Methodist Episcopal bishop of North Dakota, will, it is announced, hold services in this city on Friday, March 1, at St. Mark's Episcopal church. He will confirm a small class. Bishop Mann has been temporarily placed in charge of the missionary district of New Mexico.

At a meeting of the Reeves County Bar association the candidacy of Wm. F. Brady of this city for reelection to the office of district attorney of the Seventeenth judicial district of Texas was unanimously endorsed.

The Civic league of this city has decided at an enthusiastic meeting held in the reception parlors of the First Baptist church to devote the year for an entire year to a fund to beautify the grounds of the Pecos high school building. The work will start shortly and will be especially arranged along artistic lines.

ELECTROCUTION IS FATE OF LINEMAN

F. E. Dillon Killed by Contact with 2300 Volts Off Primary Power Circuit.

His arm brought into contact with the primary power circuit which ramifies the lighting of the Miller building, F. E. Dillon, a lineman for the El Paso Electric Railway company, was electrocuted by a 2300 voltage shock late Saturday afternoon. Dillon, a comparatively new man with the local company, was working on the rear of the St. Regis hotel in the adjustment of the lighting of this building. He was a non-insulated conductor. The shock threw him clear of the wire and left him dangling from the pole suspended by his life belt.

He was lowered to the roof of the St. Regis store room and Dr. W. H. Anderson, who arrived on the scene, conducted an already begun but futile resuscitation process.

The shock was considerably greater than that utilized in the electrocution of criminals and probably killed Dillon instantly. Dr. E. R. Ramsey, arrived later and continued the futile efforts to bring the linemen to life.

Mr. and Mrs. J. B. Heard, W. W. Camp, J. T. H. Lipscomb, who were married and is survived by a mother, who resides at Pine Bluff, Ark.

RACETRACK MAN ENDS HIS LIFE

William Narvaz, a trainer of horses at the Jura race track, ended his life by drinking carbolic acid in the Orleans saloon on Comercio street in Juarez Sunday afternoon at 4 o'clock.

A telegram from governor Abraham Gonzalez to chief of police Campa, of Juarez, Monday, notified him to permit the body to be taken to the American side of the river.

The reason for his suicide is said to have been a quarrel with Charles Clark of Montana, as a trainer for his horses. He is said to be survived by a widow who lives in Los Angeles.

THREE NEGROES KILLED BY MOB IN COURTROOM

Shelbyville, Tenn., Feb. 19.—Three negroes were shot dead in the county courtroom here today. They were charged with the murder of a railroad detective several days ago near Belt Buckle, Tenn.

As evidence in preliminary trial piled up against the three, the anger of spectators in the courtroom flamed out. Simultaneously the negroes fell as a hail of bullets rained on them from all parts of the courtroom.

CALIFORNIA LABOR LEADERS ARRESTED

Tveitmo and Clancy Are Held on Federal Grand Jury Indictments.

San Francisco, Cal., Feb. 19.—Olaf Tveitmo and Eugene A. Clancy were arrested here today on indictments returned by the federal grand jury at Indianapolis, charging complicity in a national dynamiting conspiracy. Tveitmo is secretary-treasurer of the California state building trades council. Clancy is vice president of the Structural Iron Workers' International union. The two men were indicted by a federal grand jury in Los Angeles December 30 on similar charges.

To Submit Resolutions.

Indianapolis, Ind., Feb. 19.—To support its contention that many of the iron workers' officials were implicated in the dynamiting conspiracy, the government is prepared to submit as evidence the original copy of a resolution adopted at a national convention at Rochester, N. Y., in 1910, providing that no explosives should take place during the convention.

WHY SHE NEEDED NO FURTHER HELP

A Kentucky Lady Explains to Her Neighbors and Friends How She Did So Well and Needed No Help.

Marion, Ky.—"I have never found anything so helpful, in all my life, as Cardui, the Woman's Tonic," writes Mrs. Ella Smith, of this place. "It builds up the system if it's nothing else, and I will try to get all my neighbors and friends to use this God-sent blessing to women."

I know what I am talking about, too, for I have used Cardui for a number of years, at such times when a woman needs something to strengthen her system.

The result always was that I had no pains and an easy time. So many wondered why, and I told them it was Cardui that did it.

All women, young and old, need a tonic at certain times. Especially when they are weak, tired, run-down, worn-out, no matter from what cause.

Cardui, the Woman's Tonic, is the best tonic for women to take, because its action is upon the womanly organs.

As has often been said, Cardui builds strength where and when women most need it. It helps to strengthen the womanly constitution, prevents or relieves pain, brings back health.

It is always wise to have Cardui on hand, ready for use. Get a bottle today, so you can take a dose or two whenever you feel you need it.
